

Southeastern University 2017-2018 Southeastern University - Extended Education Catalog

Bachelor of Science in Organizational Leadership - Online

Program Description

The Bachelor of Science in Organizational Leadership (BSOL) is a general undergraduate degree that emphasizes critical thinking, problem-solving, communication and leadership applicable in a variety of contexts and organizations.

The curriculum is built upon a broad liberal arts foundational core and includes 36 credit hours of Leadership studies, including the opportunity to earn internship credit and a minor.

The BSOL is understood in the marketplace as a suitable degree for graduates desiring to start or advance their career as a leader of a non-profit or business organization.
